

Sarah Williams, Business Manager

Sarah joined us in January 2006, from the Association of Coloproctology of Great Britain & Ireland. Formerly, Sarah's background was being a representative in a top global firm of loss adjusters for the Lloyd's of London insurance market.

Sarah brings us a commercial focus, and is available to help our industry partners with all aspects of our relationship - including promotional and marketing initiatives, arranging your exhibition stands and managing all the logistics of our Annual Scientific Meetings.

If your company would like to attend our Annual Scientific Meeting, or explore promotional and marketing avenues with our Association, contact Sarah on 020 7304 4777.
